Dear Lillian,

Please accept my sincere thanks and appreciation on behalf of the RVH Auxiliary for your generous donation of \$8600 for the Simcoe Muskoka Regional Cancer Centre. It was a pleasure to visit Sandycove on Tuesday afternoon, meet you and Joyce plus all the folks who were involved in your annual clothing and fashion show. The effort and achievements of the Sandycove Community Fundraisers Group are outstanding and everyone involved should feel very proud of their accomplishments.

Your total contribution to date of more than \$44,000 to the new Simcoe Muskoka Cancer Centre opening next year is great appreciated.

Thanks for helping us enhance patient care at Royal Victoria Hospital.

Sincerely,

Wayne Hubbard
