

REMINDER: RECREATION HALL USE

Good day SandyCove Acres,

We are pleased to have the gym, billiard, and shuffleboard areas open Monday to Friday from 8am to 8pm, these hours allow us to ensure cleaning is taking place and spot check capacity limits. We remind all residents to wear your mask, violation of wearing a mask will result in the individual(s) losing access from the facilities for a period of time. As with any public space if you feel unwell (flu like symptoms) please stay home.

At the entry points of the above-mentioned areas, you will find a daily declaration which must be filled out every time you use the facility.

To continue our reopening process with the support of Public Health, SMDHU, we ask that you do your part to ensure the safety of our community and staff.

"An ounce of prevention is worth a pound of cure"

-Benjamin Franklin
