

From the Sandycove Acres Homeowners' Association

Did you know that your HOA has a website that is full of interesting and relevant information pertaining to Sandycove?

On the website you will find:

- **minutes** of the monthly meetings held by the HOA
- links to the Sandycove **phone directory**
- up to two months worth of "**What's happening in Sandycove**", a new feature which includes eBulletins and notices from Parkbridge.
- a listing of all the **clubs and groups** that operate out of the halls with contact name and information on where and when the club/group meets. This could be extremely useful for all new residents.
- information on your **Emergency Preparedness** Team.

These are just a few items of what you will find. There is a lot of other useful information.

Check it out at: www.scahomeowners.com
